Re: Egyptian Theatre

As the GM of Red Roof Inn & Suites for 17 + plus years. We all prosper when the Egyptian Theatre has events. I could only image how much we will all would benefit if the Theatre would be open 12 months out of the year. We feel a huge drop of revenue in the summer months. This would give the community a boost, by adding a group of unique visitors to the area with potential to return.

The Egyptian Theatre is and has been a large part of the Community for many years. We have seen significant increase in shows and events in the past year. The calendar of events is growing. I have people booking rooms for 2-3 months out for future shows.

I encourage the City of DeKalb to consider the supporting additional funding for the Egyptian Theatre's future and revenue for the DeKalb businesses and the city of DeKalb.

Sincerely,
